

from a picture

1 CHOOSE A SQUARED PICTURE

- minimum size 914 x 914 pixels

2 FILE SIZE TOO SMALL?

- you can increase the file size online for free, however, we advise to use images in **high res** for the best result.

from illustrator

1 CREATE FILE

- size: 41 mm width, 41 mm height

2 DIAMETER OF CIRCLE

- diameter: 41 mm (including 3 mm bleed around)
- actual sticker size: 35 mm
- place logo or design in the circle
- remove the line

3 SAVE FILE

- export the file as JPEG, CMYK, quality maximum, **resolution 800 ppi**, illustrations optimized, include ICC profile
